AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The purpose of this notice is to solicit public nominations for each of four Bureau of Land Management (BLM) Resource Advisory Councils currently assisting BLM in Montana, North Dakota, and South Dakota. The four councils of Butte, Lewistown, Miles City, and the Dakotas established and authorized in 1995 by the Secretary of the Interior, provide advice and

The Federal Land Policy and Management Act (FLPMA) directs the Secretary of the Interior to involve the public in planning and issues related to management of lands administered by BLM. These include three categories:

Category One: Holders of federal grazing permits, representatives of energy and mining development, timber industry, transportation or rights-of-way, off-road vehicle use and developed recreation.

Category Two: Representatives of environmental and resource conservation organizations, dispersed recreation, archeological and historic interests, and wild horse and burro groups.

Category Three: Representatives of state and local government, Native American tribes, academicians involved in natural sciences, employees of state agencies responsible for the management of natural resources, land, or water, and the public at large.

The Butte Council has one opening in Category One, two openings in Category Two, and two openings in Category Three (one of these two openings must be filled by an elected official). The Lewistown Council has two openings in Category One, one opening in Category Two, and two openings in Category Three.
